

GET CONNECTED

To Your Greater Tomball Area Chamber of Commerce!

Dr. Jerrel Wade, Lone Star College—Tomball; Chairman of the Board

Greetings,

As your 2021 Chairman of the Greater Tomball Area Chamber of Commerce (GTACC), I would like to personally invite you to come join me and get connected with your fellow Chamber members.

Now more than ever, it is important to get or stay connected. Businesses and families are continuing to move into the Tomball area and the GTACC is gearing up for significant growth in membership. There are many opportunities for you to get involved in your Chamber. GTACC's goal is to be a business resource and an advocate for you and the entire community in spreading the GREAT NEWS about all that the greater Tomball area has to offer. These opportunities include networking with a vast array of other members and community leaders, learning about or advocating for businesses in local, state and national affairs, lending

your services to the community or volunteering for our special events.

Do you want to know more about all the programs that are offered by and with the Chamber? They can all be found in the 2021 Action Plan. I challenge you to review the Action Plan, reach out to us with any questions you may have, then choose how you would like to "get connected" and share your talents in 2021.

Complete the form below, and show us how YOU would like to GET CONNECTED!
